**Executive Meeting
April 6th 2017**

The Executive of the Section of Clinical Faculty met on April 6th and discussed preliminary results from the DoBC Clinical Faculty Survey. Full results should be available shortly through the DoBC once the DoBC Board has reviewed these.

The new governance structure of the DoBC consisting of a smaller Board and Representative Assembly will be established soon with the first meeting of the RA planned for September. All Sections of the DoBC will have a delegate on the Representative Assembly.

**Doctors of BC / UBC
Clinical Faculty
Working Committee**

The Dean of the Faculty of Medicine UBC will be receiving the joint recommendations of the working committee. Including in these recommendations will be consideration for recognition of the impact of the increased teaching requirements, processes around postgraduate training, recognition and opportunities for advancement of clinical teachers and mentorship.
